Total system solutions for a safer environment

CCTV Systems and Solutions

How to secure your business against crime and avoid becoming another statistic?
Black Box Security have the solution.

A properly installed and managed CCTV system can dramatically reduce crime levels. Drops as high as 90% have been recorded where a highly visible CCTV system has been installed in locations such as shopping centres and car parks.

CCTV - A must have for every business

The power and technology of today's CCTV systems can be massively beneficial to business owners and managers. Systems can be enabled to view anywhere in the world. You can even have the ability to simultaneously view multiple sites from one location or keep watch over staff behavioural and productivity matters with the aid of CCTV.

Black Box Security provide a variety of CCTV solutions to suit your individual needs perfectly. As an NSI Gold approved company we will ensure your CCTV system is installed, commissioned and maintained to the highest standard. The system could be further enhanced to provide remote response.
