

BOOTH'S

PROJECT PROFILE

BOOTH'S

Introduction

Since June 1847, five generations of the Booth family have led E H Booth & Co Ltd from its humble beginnings as one small shop, to its current position as a leading regional retailer, with 26 stores across the Northern counties of Lancashire, Cheshire, Yorkshire and Cumbria.

With the contemporary central office building and large distribution warehouse based in Preston, Booth's has an excellent reputation for quality, value and choice from fresh foods to award winning wines and beers. Booth's chose Black Box for our experience, commitment and resources to provide bespoke security solutions for its stores, central office and distribution centre. Our brief: deter crime, reduce theft, reduce employee theft, provide a safe environment for staff and customers, and increase profits.

Total system solutions for a safer environment

**BLACK
BOX
SECURITY**

Safe, secure and profitable solutions for the retail market

Black Box Solution

At Black Box we pride ourselves on the level of our knowledge and system engineering, and we work with our customers to provide them with the most cost effective security solutions, whilst maintaining the required standard of protection – this was recognised by Booths when they selected us to protect their supermarket chain throughout the North. Having successfully completed this project we were appointed to handle the security for Booths new build central office, distribution centre and chilled warehouse facilities in Preston.

The speed and complexity of the project provided a challenge for our team, but focused management and experienced engineering enabled us to meet the programme and gain official recognition from our client for the quality and delivery of the project

Conclusion

For the stores, CCTV incorporating fully functional dome cameras were positioned to cover the cash register and merchandise areas. Intruder alarm systems were also installed to the latest European Standards with high security RedCARE signalling.

For the central office building, warehouse and distribution facilities an integrated system incorporating CCTV, monitored intruder alarm and loan worker system were installed to provide total protection.

Why choose Black Box Security?

Black Box Security has built a reputation on over 35 years of experience in the security market providing bespoke security solutions to commercial and residential customers. Our NACOSS Gold Approval for the installation of security systems, reflects the high levels of technical expertise and commitment that is needed to protect people, property and their assets.
